

RED DAZZLER (AUS)

Written by Kristen Manning

Bay Stallion 3 October 2002 16.1 HH

Standing at Eureka Stud, QLD

It has been another good year for Eureka Stud's Red Dazzler, the son of Red Ransom, represented by two major Queensland winners this year - his recently retired to stud 2014 Gr.1 Queensland Oaks (2400m) winner Tinto added more big race success whilst his 2014 Gr.2 Villiers (1600m) winner Rudy impressed with another stakes victory to his resume.

Taking out the \$1 million Magic Millions Trophy (1800m) at the Gold Coast in January, Tinto has now won seven races and over \$1.46 million in stakes. Rudy meanwhile has won 8 races including the Listed BRC Members Handicap (1600m) at Doomben in mid-May, his third black type level success. Also the sire of the Gr.3 Spring Stakes (1200m) winner Red Eclipse and the Listed winners El Milagro and Typhoon Red, Red Dazzler has been represented by 142 winners with a healthy winners-to-runners strike rate in excess of 60% and over \$11.1million in progeny earnings.

A \$100,000 Easter yearling, Red Dazzler was a talented racehorse - a four-times winner - who won races at two, three and four. At three, he finished a narrow second to Fields Of Omagh in the Gr.1 Futurity Stakes (1600m), before his career highlight coming at four in the Gr.1 Toorak Handicap (1600m). On the back of a game second - splitting the grand gallopers Racing To Win and Desert War (between them the winners of 11 Group One races) in the Gr.1 George Main Stakes (1600m) - Red Dazzler started favourite in the Toorak and was able to account for a classy field that consisted of the big race winners Rewaaya, Niconero, Undue, Darci Brahma and Valedictum.

Bred on the highly successful Red Ransom/Danehill cross, Red Dazzler is one of his late sire's 110 stakes winners. Only having three career starts for two wins and a second placing, Red Ransom has proven an outstanding representative of the Roberto sire line - siring such outstanding gallopers as Typhoon Tracy (2009/10 Australian Horse Of The Year), Charge Forward, Duporth, All American and Onemorenomore.

The sire of another ten northern hemisphere Group One winners, Red Ransom is faring extremely well as a sire of sires with his sons Charge Forward, Domesday, All

Tinto (D Browne) winning the 2016 \$1million Magic Millions Trophy (Stayers Cup, 1800m) at Gold Coast from Feltre (R Wiggins) and Centre Pivot (B Shinn).

American, Face Value, Roc De Cambes, Handsome Ransom, Onemorenomore, Sri Pekan and Ekraar siring stakes winners in Australasia whilst one of the best European mares of recent times - the magnificent Snow Fairy - is by Red Ransom stallion Intikhab.

Red Dazzler's dam is the stakes placed dual city winner Vain Hill, the dam of nine winners from ten to race including the stakes placed Magnus Reign and Able Kane.

Vain Hill is a regally bred daughter of Danehill who has proven as influential a broodmare sire as he was a stallion, his daughters to date producing 302 stakes winners including the superstar Frankel and such other truly outstanding gallopers as Vengeance Of Rain, Danedream, Tuesday Joy, Sepoy and Able One. Vain Hill's dam is the four times stakes winner Vain Display. That fast daughter of Vain proved an excellent broodmare, well represented by seven winners, including the Group One winning sprinter and consistent stallion Keltrice (Lightning Stakes).

Vain Display's dam is the outstanding Toltrice, winner of 14 races including the VRC Oaks, the 1000 Guineas plus another four Group races and two Listed events.

At stud Toltrice produced ten winners including the WA Derby winner Seltrice, the triple Gr.2 winners Almurtaajaz (Moonee Valley Stakes, SAJC Sires' Produce Stakes, Memsie Stakes) and Tolhurst (Ascot Vale Stakes, Linlithgow Stakes, Memsie Stakes) and the Listed winners Vain Display and Lady Of Renown. This is also the family of the stakes winners Texan, Hydrometer, Free Wheeling, The Oval, Cheiron and Kiwi Karma. R
